„After a few years in this business I came to understand the things that make a difference in a bar or a restaurant. It's something you may find in any bar anywhere in the world, it could be your pub on the corner of the street, your mom-and-pop restaurant, your cocktail bar downtown, a hotel... It's the elusive something that makes the guest come back. Some places have it, some lose it after a while and some never had it to start with. We are trying to make it second nature, have it etched into our walls, make it part and parcel of the interior. It's about design, music, service, food and drinks into a unique blend amplified by you, the people. It's simply about ambience.”

„Po niekoľkých rokoch v tomto biznise som pochopil, čím sa bary a reštaurácie od seba odlišujú. Je to niečo, čo môžete nájsť v hocijakom bare na svete, vo vašom obľúbenom pube na rohu, rodinnej reštaurácii, vašom cocktail bare v centre mesta, v hoteli... Je to práve tá ťažko pochopiteľná vec, prečo sa hosť vracia späť. Niektoré miesta ju majú, niektoré ju po chvíli stratia a niektoré ju nikdy nemali. Snažíme sa to dostať do krvi, mať to vyryté v stenách, a aby to bolo neoddeliteľnou súčasťou interiéru. Je to vecou toho, ako zosúladíte dizajn, hudbu, služby, jedlo a drinky do jedinečnej harmónie, ktorá je umocnená vami, ľuďmi. Je to len a len o atmosfére.”

Daniel Čečetka, managing partner

TASTE.

Impressive is this cocktail book, but equally impressive is our ability to create your desires. Please feel free to order what you feel, whether it's lime and spice or salty and rum. Our bar team will be happy to collaborate with patrons on drink suggestions. If you bring light to a new cocktail, your name goes into our collection of drinks for the BARS' book L'ATELIER DE NOUVEAU COCKTAILS...

Impresívny je tento cocktail book, ale rovnako pôsobivá je naša schopnosť naplniť vaše želania. Prosíme Vás, objednajte si čokoľvek načo máte chuť, či už je to kyslé a korenené, alebo slané a s rumom. Náš tím bude s vami rád spolupracovať. Ak vdýchnete dušu novému cocktailu, vaše meno a recept sa navždy zaznačí do našej barovej knihy s názvom L'ATELIER DE NOUVEAU COCKTAILS...
